SCHOOL

Japanese

DEVIN VENEY

WEB DEVELOPER

PROFILE

I'm a passionate individual with a diverse range of interests. I find myself most at home when I'm immersed in the world of programming, where I love to solve complex problems and create innovative solutions. Beyond the screen, I'm equally dedicated to mastering the piano, where I find solace and self-expression in the harmonious notes.

EXPERIENCE

JUNIOR WEB DEVELOPER

Ivey Furniture

2020 - Present

- Database administration and website design
- Built the logic for a streamlined ad-serving platform that scaled
- managed store product information
- UI/UX development
